

Sponsorship Opportunities for our 2019 Golf Tournament

The Canadian Hard of Hearing Association – Edmonton Branch (**CHHA-Ed**) invites you and your business to be part of our **4th Annual Golf Tournament** being held once again at The Links in Spruce Grove, Alberta on June 12, 2019.

Hearing loss is the fastest growing disability. Today, there are more than 100,000 Edmontonians with hearing loss. **CHHA-Ed provides support, programs and advocacy for the hard of hearing and late-deafened community** in Edmonton and surrounding areas. In addition to our other activities this year we will be **promoting accessibility by installing loops and sponsoring captioning at public events**. For example, the 2018 Grey Cup was the first every captioned sporting event in Edmonton, which was made possible with CHHA-Ed's advocacy and support from last year's golf tournament.

Many people struggle to cope with hearing loss, including cost of hearing aids, hearing in social situations and developing coping strategies. This golf tournament will **increase CHHA-Ed's visibility in the community** and help **support our Hearing Aid Assistance Fund**. This fund endeavours to provide a subsidy for hearing aids to those who are economically disadvantaged in our region,

Each of our past tournaments we have raised \$10,000 to apply to our programs. With your **support**, our **GOAL** to increase that number for 2019!!

We are counting on the Edmonton Eskimo Alumni to be our Celebrity Marshalls again this year. We are pleased that Global TV broadcasting personality Seanna Collins will be returning to emcee again. This will be a fantastic day to be enjoyed by all who attend.

Attached you will find the Sponsorship Options providing information on sponsorship opportunities. **Also note that donations for golf prizes and auction items are welcome!!**

Attached are Sponsor form, the proposed event agenda, and Golfer Registration form.

CHHA-Ed is counting on your support for our **4th Annual Golf Tournament** as a sponsor and/or as a participant.

Yours for better hearing!
