Dear Canadian Hard of Hearing Golf Supporters,

As the world continues to adapt to the impact of COVID-19, I'd like to assure you that we at CHHA-Ed are focused on the wellbeing of our employees and the people we serve. Hard of Hearing Canadians rely on our services; we are committed to being active online and available to those who need support. CHHA-Ed continues business by providing support and assistance by processing applications for hearing aids and/or devices.

After much consideration, CHHA-Edmonton has made the difficult decision to cancel our 5th Annual Golf Tournament, June 10th. We have over the years asked you and your businesses to support us in our endeavor to raise money for our Hearing Assistance Fund with this event. You have done so with your generous donations, contributions and by playing golf. Together, over four years, we have raised almost \$50,000 in total.

It is now time for us to support you, during these trying times by allowing many of you to get back on your feet with your businesses and lives. We cannot imagine asking you to give more of yourselves, than taking care of yourselves. It is our hope that when you do get back on your feet you will think of us. We accept donations and issue charitable donation receipts through-out the year. Every gift counts! Every hearing aid changes a life with hearing!

We vow to come back next year bigger and stronger as we celebrate our **5th** Annual Golf Tournament! We hope you will support, donate or join us **Wednesday June 9, 2021 at the Links.**

Thank you again for your support and stay strong!!!

Cindy Gordon  
Program Director-Canadian Hard of Hearing Association-Edmonton Branch
