

May 7, 2021

Dear Golf Supporters,

Once again I find myself writing a letter I very much did not want to!! Covid 19 continues to impact our lives. One month in from our tournament we are being shut down from the government and the golf course itself.

CHHA Edmonton has no choice but to cancel our 5th Annual Golf Tournament, June 9<sup>th</sup> for a second year in a row!! We have over the years asked you and your businesses to support us in our endeavor to raise money for our Hearing Assistance Fund with this event. You have done so by your generous donations, contributions and by playing golf. Together, over the years, we have raised almost \$50,000.

This years' tournament was really coming into place and we were excited to get to see you all again on the course. Thank you for the support you showed us by sponsoring and signing up your teams!!

Hard of Hearing Edmontonians still rely on our services, so we stay committed to keeping online and available to those who need our support. CHHA-Ed is still handling business and processing applications for hearing aid assistance.

Your golf fees will be refunded and returned to you but we can accept donations anytime and issue charitable donation receipts. Every gift matters! Every hearing aid changes a life to someone who cannot hear and could not afford the aid.

We vow to come back next year stronger and bigger as we celebrate our **5th** Golf Tournament! We hope you will join us **Wednesday June 15, 2022 at the Links!!**

Thank you again for your support and stay safe!!

Cindy Gordon

Program Director-Canadian Hard of Hearing Association-Edmonton Branch
