

**Dear members,**

I know that the growing concern around COVID-19 has everyone feeling uneasy, especially as we face more changes to our daily routines and future plans. This is why I am personally reaching out to you today.

It is recommended by the **Government of Alberta** that people who may be more susceptible do not conjugate in groups of 50 or more. These people being:

***“International participants, critical infrastructure staff, seniors, or other high-risk populations”***

I know that your main priorities are keeping you and your families safe. We at CHHA-ED are also concerned. Please be patient with our responses as all staff are not working full time in the office during the next several weeks. Our centre is also closed to the public so you will not be able to drop in. All classes are cancelled for the foreseeable future as well.

Therefore, we are also cancelling the upcoming AGM for April 6<sup>th</sup>. Please stay tuned of our events with facebook, our website, emails and our upcoming newsletter.

Thank you for your understanding!! BE SAFE!
